# NJSBA Cooperative Pricing System

The NJSBA cooperative pricing system eliminates the need for districts to undergo the competitive bidding process. We've done the work so that schools—and taxpayers—can benefit from low rates.

## NJSBA Cooperative Pricing System

The NJSBA cooperative pricing system eliminates the need for your district to undergo the competitive bidding process. We've done the work for you so that your schools—and taxpayers—can benefit from low rates. The program, supported by the New Jersey Department of Education, and developed in cooperation with the N.J. Department of Community Affairs (DCA), enables school districts and member charter schools to purchase discounted school technology, COVID-19 related goods and services, and low-cost resources.

Click on the links below to learn more about the products and services included in the NJSBA Cooperative Pricing System.
